

## Love and Logic Program Dates for the 09-10 School Year

The Love and Logic program is a parenting workshop designed by the Cline/Fay Institute. It is offered by Lee's Summit CARES in collaboration with ReDiscover, the Lee's Summit School District, and area churches. The program provides parents and care givers with practical and proven strategies for preventing and reducing behavior problems in children and youth. Parents can chose from three program formats depending upon the age of their child. Our facilitators are experienced, master's level counselors with training through the Institute.

Registration/Questions: Contact Bev Hatley at ReDiscover (816) 347-3259 or visit [www.LSCARES.org](http://www.LSCARES.org).

Cost: Programs \$42 per participant  
 No cost for previous participants to return to the same program.

Scholarships: Full and partial scholarships are available. (Contact Bev)

Time: Classes run from 6:30 to 8:30 p.m.

Childcare: Is available at most classes for an additional \$3 per evening per child. (Max \$9 family fee per evening). \*Scholarships cover this cost.
